

Daniel 7:17-28 Thy Kingdom Come

Introduction

I. The 3 Main Positions on the Reign of Christ

- A. Amillennial

- B. Postmillennial

- C. Premillennial

II. The 7 Main Points in Favor of Premillennialism

1. The kingdom of the Messiah clearly follows the appearance of the Antichrist.
2. The prophecy requires the visible kingdom of Christ to follow the kingdoms of the Gentiles. It's not running concurrently with them. Christ's kingdom is established after the overthrow of all other world kingdoms.
3. The visible kingdom of Christ succeeds the final form of Gentile dominion ruled by 10 kings and finally by one king who reigns for 3 ½ years. Neither has appeared yet.
4. The visible kingdom of Messiah takes over the other kingdoms in power and glory.
5. The kingdom of Messiah is Jewish which is not true of any present kingdom of Christ on earth.
6. Christ's kingdom will be similar to the ones that preceded it, that is, visible and earthly.
7. The beasts are still running things. They haven't been judged and destroyed.
